

BIG CHECK. BIG COVERAGE. BIG RELIEF. POWERED LOCALLY.

Andy Cox, of Vculek Farms, (right) received a check for \$13,496 from Cyndi Brandriet (l) of Farmland Co-op in Oakes, N.D., for Cenex Total Protection Plan® coverage on a John Deere tractor.

“Working the claim with Cenex® and Green Iron Equipment was seamless — we helped source and transport the parts, and our tractor was up and running within days.”

— ANDY COX, VCULEK FARMS,
OAKES, N.D.

For any producer, it's vital to make sure farm equipment is reliable and operating without a problem. And given the price of today's farm equipment, it's more important than ever to ensure costly equipment is running well and is backed by a dependable warranty.

The Cenex Total Protection Plan® covers up to 10 years or 10,000 hours on new equipment and up to 8 years or 8,000 hours on used equipment, with no deductible. It's a small investment for a warranty that brings valuable coverage on equipment that needs to avoid downtime.

At Brian Vculek's farm in North Dakota, they get peace of mind about their equipment by enrolling in the Cenex Total Protection Plan. The farm's manager, Andy Cox, explains, “All of our eligible pieces [of equipment] go on to the Cenex Total Protection Plan Warranty as soon as we acquire them.”

For Vculek's farm, when their John Deere 7280R recently broke down, they had Green Iron Equipment get the necessary parts and repair the tractor. Cox said, “Working the claim with Cenex® and Green Iron Equipment was seamless. We helped source and transport the parts, and our tractor was up and running within days.”

“We use all Cenex® Lubricants because of the Cenex Total Protection Plan as well as the protection we get from quality products like Superlube TMS® and Qwiklift® HTB®,” Cox said.

Their \$13,000 bill for the repairs and labor on the tractor was covered under the Cenex Total Protection Plan. With a no-hassle claim submission process and downtime reduced to just a few days, the Vculek farm could get back to operations sooner and have peace of mind with the help of the Cenex Total Protection Plan's coverage.

WHAT IS THE CENEX TOTAL PROTECTION PLAN®?

The Cenex Total Protection Plan® extends beyond manufacturers' warranties and provides coverage to farmers who use premium Cenex fuels and lubricants. It covers new equipment for up to 10 years or 10,000 hours and used equipment for up to 8 years or 8,000 hours, with no deductible.

Give your certified Cenex distributor a call today and they'll help you determine the right energy products and protection for all your equipment. You can also visit cenex.com for more information or to enroll.
