

# BIG CHECK. BIG COVERAGE. BIG RELIEF. POWERED LOCALLY.®

Barry Krueger (right) was presented with a \$10,818.96 check for coverage on his Case-IH Steiger 140 tractor enrolled in the Cenex Total Protection Plan® by Larry Reimer, Certified Energy Specialist, CHS Farmers Alliance in Mitchell, S.D.

When it comes to maintaining an operation, producers know better than most the importance of having an equipment protection plan that provides robust coverage with a hassle-free claims process. That's what Barry Krueger from Wessington Springs, South Dakota, got last March along with a healthy dose of peace of mind, when his Case-IH 140 started giving him trouble.

Since he's been enrolling his equipment in the Cenex Total Protection Plan® for the past 15-plus years, Krueger knew the plan would take care of him. So, Krueger didn't fret when his 8-year-old Case-IH 140 started slipping when he tried to put it in ninth gear, which could mean only one thing: transmission trouble. And he didn't fret when the mechanics started tearing apart the transmission to get to the root of the problem. That's because the Cenex Total Protection Plan® extends manufacturer's warranties and provides coverage for up to 10 years or 10,000 hours on new equipment, and up to 8 years and 8,000 hours on used equipment.

It turned out that one of the clutches in the transmission was bad, which meant replacing all four clutches while the transmission was already torn apart. That's a bill no one wants to get stuck with. Because Krueger had regularly maintained his tractor with Cenex® fuels and lubricants and provided the regular used oil analysis through LubeScan®, the Cenex Total Protection Plan® provided a big check that covered the \$10,818.96 repair, with no out-of-pocket deductible.

Besides the big check, the protection plan has a headache-free claims process, which was made even easier with the support of Larry Reimer, the Certified Energy Specialist at CHS Farmers Alliance, Krueger's local co-op. "The claims process was really prompt and straightforward," Krueger said. He simply gave Reimer the information, and Reimer handled it from there.

"I don't know why anybody wouldn't enroll in the Cenex Total Protection Plan®," Krueger said. "It gives you peace of mind, and it's great insurance."

*"The Cenex Total Protection Plan® gives you peace of mind — it's great insurance."*

— BARRY KRUEGER,  
WESSINGTON SPRINGS, S.D.

## WHAT IS THE CENEX TOTAL PROTECTION PLAN®?

The Cenex Total Protection Plan® extends beyond manufacturers' warranties and provides coverage to farmers who use premium Cenex® fuels and lubricants. It covers new equipment for up to 10 years or 10,000 hours and used equipment for up to 8 years or 8,000 hours, with no deductible.

Give your certified Cenex® distributor a call today and they'll help you determine the right energy products and protection for all your equipment. You can also visit [cenex.com](http://cenex.com) for more information or to enroll.
